MS Patent Application

Alexandria, VA 22313-1450

Dear Sir:

The Applicant, through its representatives and attorneys, hereby brings to the attention of the Examiner the four (4) English-language documents cited on the accompanying Form PTO-1449. Copies are provided. This submission is timely in that it is made prior to a first Action on the merits of this application.

This will also certify that each item of information provided in this Information Disclosure Statement was noted in an action in a corresponding foreign application not more than three months ago. Specifically, these documents were cited in a European search report (ESR) dated March 11, 2004 in connection with the Applicant's corresponding EP application. A copy of the ESR and a copy of the Annex showing patent family members accompanies this submission.

It may be noted that the EP'704 publication and the EP'248 publications apparently correspond to the JP Application Nos. 2002-032861 and 2003-037343 mentioned at page 11 of this application as filed. Inquiry has been made as to whether the other two documents, i.e. 2002-036522 and 2002-0320862 at pages 6 and 11 are similarly arranged. At present, those documents have not been provided or cited.

Please take these documents into account in the initial examination of this application and make their consideration of record.

Dated: April 26, 2004

Respectfully submitted,

By
